## About company

We are a British IT company with HQ in Manchester and Development Centers in Belarus, Poland, Ukraine, Lithuania and Bulgaria. We are included in The Sunday Times Sage Tech Track 100, GP Bullhound Northern Tech 100, Financial Times 1000, Top 10 IT companies in Belarus.

The main wealth of our company is employees - smart and talented specialists, who strive to do things right. Therefore, we pay special attention when we’re looking for new members of our teams.
