## About company

YouDigital is a young company that digitises other companies' sales, marketing and customer service processes. We specialise in the Salesforce platform, which is a leading solution in this area.

YouDigital is a young and a dynamic team. Sense of humor and a good atmosphere at work are very important to us. Despite the high professionalism of the team, we only wear suits when we meet with clients.

We have offices in Łódź and Prague.

Join us if you want to enter consulting industry in a pleasant way and participate in interesting projects.

Additional information can be found on our website: www.youdigital.com.

## Typical positions offered to candidates

Junior Salesforce/Fullstack Developer, Junior Software Developer, Junior Software Tester, Salesforce Developer
