About company

McKinsey & Company is a global management consulting firm. We help organizations across the private, public, and social sectors create the change that matters.

McKinsey in Wrocław

McKinsey Client Capabilities Center all about expertise and innovation.
We help clients around the world by providing them with our knowledge, research, analytics, and engineering across a variety of sectors (e.g. Retail, Telecommunications, Pharmaceuticals, Automotive) and functions (e.g. Digital, Marketing, Operations).
We have over 270 colleagues in Wroclaw who have a variety of roles including consultants, researchers, data scientists, and engineers. With our diverse backgrounds (doctors, engineers, designers, data scientists, civil servants, and entrepreneurs), we are able to combine global expertise and local insight to help our clients solve their toughest challenges.
