About company

At Vanderlande, we are a global leader in logistics process automation, specializing in airports, warehousing, and parcel sectors. Established in 1949 and headquartered in Veghel, Netherlands, we have grown to become a trusted partner for over 600 airports worldwide, including 12 of the world's top 20. Our systems handle more than 4 billion pieces of luggage annually and sort over 52 million parcels daily.

Since 2017, Vanderlande has been part of Toyota Industries Corporation, forming the Toyota Automated Logistics Group (TALG) alongside Toyota L&F, Bastian Solutions, and viastore. This strategic partnership enhances our ability to deliver innovative, efficient, and sustainable automation solutions to our clients.

With a team of over 9,000 employees across six continents, we are committed to moving our customers' businesses forward by providing fast, reliable, and efficient automation technology
